AGREEMENT

THIS AGREEMENT, entered into this 15th day of December, 2014, by and between the TOWNSHIP OF HAMILTON, in Atlantic County, a Municipal Corporation of the State of New Jersey (herein referred to as the "Township"), and the NEW JERSEY STATE POLICEMEN'S BENEVOLENT ASSOCIATION, MAINLAND PBA LOCAL #77, (Sergeants Unit) (herein referred to as the "PBA" or the "Association"), represents the complete and final understanding of all bargain-able issues between the Township and the Association.

ARTICLE I - PURPOSE

THIS AGREEMENT is entered into pursuant to the provisions of Chapter 303, Laws of 1968, as amended by Chapter 123, P.L. 1974 (N.J. Rev. Stat. 34:13A-5.1 et. seq.) of the State of New Jersey, to promote and ensure harmonious relations, cooperation and understanding between the Township and its employees; all in order that the public service shall be expedited and effectuated in the best interests of the citizens of the Township of Hamilton.

ARTICLE II - RECOGNITION

- A. The Township hereby recognizes the Association as the sole and exclusive collective negotiating agent and representative for all full-time Sergeants employed by the Township of Hamilton Police Department.
- B. The title "Sergeant" or "Employee" shall be defined to include the plural as well as the singular and to include males as well as females, uniformed members and non-uniformed members assigned to plain clothes.

ARTICLE III – MANAGEMENT RIGHTS

A. The Township of Hamilton hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties and responsibilities conferred upon and vested in it, prior to signing this Agreement, by the laws and Constitution of the State of New Jersey and the United States, including but without limiting the generality of the foregoing, the following rights, subject to the requirements of N.J.S.A. 34:13A-1 et. seq.

1. The executive management and administrative control of the Township government and its properties and facilities and activities of its employees by utilizing personnel, methods and means of the most appropriate and efficient manner possible as may from time to time be determined by the Township.
2. To make rules of procedure and conduct, to use improved methods and equipment, to decide the number of employees needed for any particular time and in sole charge of the quality and quantity of work required.
3. The right of management to make such reasonable rules and regulations as it may from time to time deem best for the purposes of maintaining order, safety and/or the effective operation of the Department after advanced notice thereof to the employees to require compliance by the employees is recognized.
4. To hire all employees, to promote, transfer, assign or retain employees in positions with the Township.
5. To suspend, demote, discharge or take any other appropriate disciplinary action against any employee for good and just cause according to law, and subject to the grievance procedure.
6. To lay off employees in the event of lack of work or funds or under conditions where continuation of such work would be inefficient and non-productive, so long as such lack of work or funds is bona fide.
7. The Township reserves the right with regard to all other conditions of

employment not reserved to make such changes as it deems desirable and necessary for the efficient and effective operation of the Department.

- B. In the exercise of the foregoing powers, rights, authority, duties and responsibilities of the Township, the adoption of policies, rules, regulations and practices and the furtherance thereof, and the use of judgment and discretion in connection therewith, shall be limited only by the specific and express terms of this Agreement and then only to the extent such specific and express terms hereof are in conformance with the Constitution and laws of the State of New Jersey and the United States.

ARTICLE IV – NON-DISCRIMINATION

- A. The Township and the Association agree that there shall be no discrimination against any employee regardless of race, religion, color, creed, national origin, ancestry, sex, affectional or sexual orientation, marital or political status, gender identity or expression, domestic partnership status, civil union status, atypical heredity, cellular or blood trait, genetic information, disability (including AIDS or HIV infection), liability for service in the United States armed forces, veterans status, age, pregnancy, childbirth, or medical conditions related to pregnancy or childbirth and/or any other characteristics protected by law or the presence of any sensory, mental or physical disability unless such disability effectively prevents the performance of the essential duties required of the position and which are bona fide occupational qualifications which cannot be accommodated without undue hardship.
- B. The Township and the Association agree that all Sergeants covered under this agreement have the right without fear of penalty or reprisal to form, join and assist any employee organization or to refrain from such activity. There shall be no discrimination by the Township or Association against any employee because of the employee's membership or non-membership or activity or non-activity in the Association.

ARTICLE V – GRIEVANCE PROCEDURE

- A. The purpose of this procedure is to secure, at the lowest possible level, an equitable solution to the problems which may arise affecting the terms and conditions of employment under this Agreement.
- B. Nothing herein shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with any appropriate member of the Department.
 - 1. With regard to employees, the term “grievance” as used herein means an appeal by an individual employee or the Association on behalf of an individual employee or group of employees, from the interpretation, application or violation of policies, agreements, and administrative decisions affecting them.
 - 2. With respect to employee grievances, no grievance may proceed beyond Step 1 herein unless it constitutes a controversy arising over the interpretation, application or alleged violation of the terms and conditions of this Agreement. Disputes concerning terms and conditions of employment controlled by statute or administrative regulations, incorporated by reference in this Agreement either expressly or by operation of law, shall not be processed beyond Step 1 herein.
- C. The following constitutes the sole and exclusive method for resolving grievances between the parties covered by this Agreement, and shall be followed in its entirety unless any step is waived by mutual consent:

STEP 1: The aggrieved or the Association shall institute action under the provisions hereof within fifteen (15) business days after the event giving rise to the grievance has occurred, and an earnest effort shall be made to settle the differences between the aggrieved employee and the Township, with the assistance of the Steward, in an informal manner through the chain of command. The aggrieved employee and the Steward shall start the grievance as high up in the chain of command as deemed

necessary to resolve the grievance within the department. Failure to act within said fifteen (15) business days shall be deemed to constitute an abandonment of the grievance.

STEP 2: If no agreement can be reached orally within five (5) calendar days of the initial discussion, the employee or the Association may present the grievance in writing within fifteen (15) calendar days thereafter to the Chief of Police, or designee. The written grievance at this step shall contain the relevant facts and a summary of the preceding oral discussion, the applicable section of the contract violated and the remedy requested by the grievant. The Chief of Police or his designee will acknowledge receipt of the grievance, by signing and dating the grievance, and answer the grievance in writing within ten (10) calendar days of the receipt of the written grievance.

STEP 3: If the Association wishes to appeal the decision of the Chief of Police, such appeal shall be presented in writing to the Township Administrator within ten (10) calendar days thereafter. The submission at this step shall contain all the documentation submitted at previous steps, including the Township's responses to the grievance at each step. The Township Administrator shall acknowledge receipt of the grievance by signing and dating the grievance, and respond to the grievance in writing within fifteen (15) calendar days of its submission. (In the event the Township Administrator cannot respond to a grievance, due to leave or the position being vacant, Step 3 will be bypassed.)

STEP 4: If the grievance is not settled through Steps 1, 2, or 3, either party shall have the right to submit the dispute to arbitration pursuant to the Rules and Regulations of the Public Employment Relations Commission within thirty (30) calendar days of the receipt of the response from the Township Administrator or his designee. The costs for the services of the arbitrator shall be borne equally by the Township and the Association. Any other expenses, including but not limited to the presentation of witnesses, shall be paid by the parties incurring the same.

- D. The arbitrator shall be bound by the provisions of this Agreement and the Constitution and Laws of the State of New Jersey, and be restricted to the application of the facts presented to them in the grievance. The arbitrator shall not have the authority to add to, modify, detract from or alter in any way the provisions of this Agreement or any amendment or supplement thereto. The decision of the arbitrator shall be final and binding.
- E. Upon prior notice to and authorization of the Chief of Police, the designated Association representatives shall be permitted as members of the grievance committee to confer with the employees and the Township on specific grievances in accordance with the grievance procedure set forth herein during work hours of employees, without loss of pay, provided the conduct of said business shall not diminish the effectiveness of the Township of Hamilton Police Department or require the recall of off-duty employees.
- F. The time limits expressed herein shall be strictly adhered to. If any grievance has not been initiated within the time limits specified, then the grievance shall be deemed to have been abandoned. If any grievance is not processed to the next succeeding step in the grievance procedure within the time limits prescribed thereunder, then the disposition of the grievance at the last preceding step shall be deemed to be conclusive. If a decision is not rendered within the time limits prescribed for decision at any step in the grievance procedure, then the grievance shall be deemed to be denied. Nothing herein shall prevent the parties from mutually agreeing to extend or contract the time limits provided for processing the grievance at any step in the grievance procedure.
- H. The Township and the Association agree that all disciplinary matters are grieveable and arbitrable.

ARTICLE VI – STRIKES

- A. Both parties recognize the desirability of the continuous and uninterrupted operations of the Police Department and the avoidance of dispute which threatens to interfere with such operation. Since the parties are establishing a comprehensive grievance procedure under which unresolved disputes may be settled, the parties have removed the basic cause of work interruptions during the period of this Agreement. The Association accordingly agrees, during the period of this Agreement, that it will not, nor will any person acting in its behalf cause, authorize, support, nor will any of its members take part in, any strike (i.e., concerted failure to report for duty, or willful absence from their position, stoppage of work or abstinence in whole or in part, from full, faithful, and proper performance of the employee's duties of employment) for any purpose whatsoever.
- B. The above is interpreted that: The Association may be held liable for damages in "wildcat" strikes, unless the Association immediately disavows the strike in writing and notifies the strikers to return to work.
- C. In the case of a strike, the Township may apply for an injunction against the Association.
- D. The Association agrees that any such strike is a breach of contract and that removes all impediments from and permits the Township to dismiss or otherwise discipline employees taking part in the breach of contract.

ARTICLE VII – STEWARD

- A. The Association shall appoint a Steward to act on behalf of the Association.
- B. The Steward, with prior notification to and approval of the Chief of Police, may be permitted time off from their regular working hours, without loss of pay, to attend negotiating sessions (with no time limitations) and one (1) regularly scheduled meeting of the Association per month, not to exceed four (4) hours per meeting.
- C. The Steward shall act on any grievance submitted by any employee.
- D. The Chief of Police, in his sole discretion, may grant the Steward additional time off without loss of pay to attend special or emergency meetings of the Association.
- E. An employee attending any meeting covered by this Article on their off-duty time shall do so voluntarily. The employee and the Association understand and agree that any such off-duty time spent shall not be compensated by the Township and shall not be considered “compensable hours” pursuant to the Fair Labor Standards Act.

ARTICLE VIII – BULLETIN BOARDS

- A. The Association shall have the use of the bulletin board located in the Police Department Headquarters for the posting of notices relating to meetings and official business of the Association only.
- B. Only material authorized by the signature of the Association President, Steward, or alternate shall be permitted to be posted on said bulletin board.
- C. The Township may have removed from the bulletin board any material which does not conform to the intent of the provisions of this Article.

ARTICLE IX – DUES CHECK-OFF/AGENCY SHOP

- A. The Township agrees to deduct from the salaries of its employees, subject to this Agreement, dues for the Association. Such deduction shall be made in compliance with Chapter 123, Public Laws of 1974, N.J.S.A. (R.S.) 52:14-15.9e, as amended.
- B. A check off shall commence for each employee who signs a properly dated authorization card, supplied by the Association and verified by the Chief Financial Officer, during the month following the filing of such card with the Township.
- C. If during the life of this Agreement there shall be any change in the rate of membership dues, the Association shall furnish the Township written notice thirty (30) days prior to the effective date of such change and shall furnish to the Township either new authorizations from its members showing the authorized deductions for each employee, or an official notification on the letterhead of the Association advising of such changed deduction.
- D. The Association will provide the necessary "check off authorization" form, and the Association will secure the signatures of its members on the forms and deliver the signed forms to the Township Clerk.
- E. Any such written authorization may be withdrawn at any time by the filing of such withdrawal with the Township Clerk. The filing of notice of withdrawal shall be effective to halt deductions in accordance with N.J.S.A. 52:14-15.9e, as amended.
- F. The Township agrees to deduct the fair share fee from the earnings of those employees who elect not to become members of the Association and transmit the fee to the majority representative.
- G. The deduction shall commence for each employee who elects not to become a member of the Association during the month following written notice from the Association of the amount of the fair share assessment. A copy of the written notice of the amount of the fair share assessment must also be furnished to the New Jersey Public Employment

Relations Commission.

- H. The fair share fee for services rendered by the Association shall be in an amount equal to the regular membership dues, initiation fees and assessment, of the Association, less the cost of benefits financed through the dues available only to members of the Association, but in no event shall the fee exceed eighty-five percent (85%) of the regular membership dues, fees and assessments.
- I. The sum representing the fair share shall not reflect the costs of financial support of the political causes or candidates, except to the extent that it is necessary for the Association to engage in lobbying activity designed to foster its policy goals in collective negotiations and contract administration, and to secure for the employees it represents advances in wages, hours and other conditions of employment which ordinarily cannot be secured through collective negotiations with the Township.
- J. Prior to January 1st and July 31st of each year, the Association, if there is a change in the cost of membership, shall provide advanced written notice to the Township and any non-member of such increase. Upon written request, any information necessary to compute or validate the fair share fee for services enumerated above will be forwarded to the Township or employee requesting same.
- K. The Association shall establish and maintain a procedure whereby any employee can challenge the assessment as computed by the Association. This appeal procedure shall in no way involve the Township or require the Township to take any action other than to hold the fee in escrow pending resolution of the appeal.
- L. The Association shall indemnify, defend and hold the Township harmless against any and all claims, demands, suits or other forms of liability that shall arise out of or by reason of action taken by the Township in reliance upon salary deduction authorization cards or the fair share assessment information as furnished by the Association to the Township, or in reliance upon the official notification on the letterhead of the Association and signed by the President of the Association, advising of such changed deduction.

M. Membership in the Association is separate, apart and distinct from the assumption by one of the equal obligations to the extent that the employee has received equal benefits. The Association is required under this Agreement to represent all of the employees in the bargaining unit fairly and equally, without regard to Association membership. The terms of this Agreement have been made for all employees in the bargaining unit, and not only for members of the Association, and this Agreement has been executed by the Township after it has satisfied itself that the Association is a proper majority representative.

ARTICLE X – POLICE SERGEANT’S RIGHTS

- A. Elected representatives of the Association shall be permitted time off from their regularly scheduled working hours to attend negotiating sessions between the Township and the Association and grievance sessions between the Township and the Association.
- B. An employee shall be made aware of any complaints or charges concerning them, which may result in disciplinary action. An employee must receive a copy of any disciplinary charges against them within the time required by N.J.S.A. 40A:14-145. An employee shall not be compelled to make any verbal or written statement until they have consulted an attorney and/or the Association.
- C. An employee shall not be suspended nor suffer any loss in benefits until after the employee has had a departmental hearing and has been found guilty, except in cases of a severe nature when the Chief of Police deems that suspension of a member is an immediate necessity for the safety of the public, or as permitted by law.
- D. The Steward, on behalf of the employee with written approval of the employee, may review any reports pertaining to the actions taken against said employee. The employee suspended shall be given a hearing and, if found guilty, shall have the right to appeal their suspension through the grievance procedure.

ARTICLE XI – LEGAL REPRESENTATION

- A. The Township will provide, at its expense, an attorney from the approved list to be used pursuant to N.J.S.A. 40A:14-155.
- B. Said list shall be approved by the Governing Body and maintained by the Chief of Police and the Township Administrator.
- C. In the event an attorney whose name does not appear on the approved list is requested by an employee, they shall be entitled to utilize said attorney so long as the Township Committee or its designee verifies that the attorney's fee is the same or substantially similar to the fees of the attorneys on the approved list.

ARTICLE XII – LEAVE FOR PBA MEETINGS

- A. A limit of one Sergeant, who is also a member of the Executive Board shall be granted leave from duty without loss of pay, not to exceed four (4) hours per meeting, not to exceed twelve (12) meetings per year, to attend regularly scheduled meetings of the State and Local Association and Executive Board meetings when such employee gives at least forty-eight (48) hours' notice to the Chief of Police.
- B. An employee attending any meeting covered by this Article on their off-duty time shall do so voluntarily. The employee and the Association understand and agree that any such off-duty time spent shall not be compensated by the Township and shall not be considered "compensable hours" pursuant to the Fair Labor Standards Act.

ARTICLE XIII – PERSONNEL FILES

- A. A personnel file shall be established and maintained for each employee covered by this Agreement. Such files are confidential records and shall be maintained by the Township, and may be used for evaluation purposes by the Chief of Police, Township Administrator, and/or Governing Body only.
- B. Upon advance notice and at reasonable times, any member of the Police Department may at any time review their personnel file. However, this appointment for review must be made through the Chief of Police or their designee, and the Township has the right to have a witness present.
- C. Whenever a written complaint concerning an employee or their actions is to be placed in their personnel file, a copy shall be made available to them and they shall be given the opportunity to rebut it if they so desire and they shall be permitted to place said rebuttal in their file.
- D. All personnel files will be carefully maintained and safeguarded permanently and nothing placed in any files shall be removed therefrom. Removal of any material from a personnel file by any employee shall subject that employee to appropriate disciplinary action.

ARTICLE XIV – HOURS OF WORK AND OVERTIME

- A. The scheduled workweek for all employees covered by this Agreement shall be a forty (40) hour work week, averaged by the work week schedule to be as close as possible on an annualized basis.
- B. The Township and the Association agree that if the work schedule for the Department is revised, any decrease in the scheduled work hours as enumerated in Paragraph A above shall be “returned” to the Township in the form of in-service training. The Township and the Association further agree that any revision in the work schedule, whether it requires a greater or lesser number of scheduled work days and/or a greater or lesser number of hours per tour of duty, shall not affect the contractually agreed upon number of days off (i.e., vacation days, sick leave days, etc.). A day pursuant to this agreement shall be considered a day off regardless of the number of hours required per shift.
- C. Overtime shall consist of all hours worked in excess of the employee’s regularly scheduled work day or regularly scheduled work week.
- D. Overtime shall be defined to include all hours spent on emergencies, all court appearances required on behalf of the Township, and any other extra duty activities where the employee’s attendance is required by the Township.
- E. If an employee is recalled to active duty, including court, they shall receive a minimum of two (2) hours of overtime pay, so long as said recall is not contiguous with the employee’s regular work shift. The employee may be utilized for other duties as required in the best interest of the Township.
- F. Overtime shall be compensated as follows:
 - Paid at rates based on the following formulas:
 - 1. Employees receiving longevity pay – Base Salary + longevity/2080 hours x 1.5
 - 2. Employees not entitled to longevity pay: Base Salary/2080 hours x 1.5

- G. The Township and the Association agree that the subject of work schedules is a mandatory subject of negotiations except in cases of emergency or where special qualifications of sergeants are required. Therefore, the Township and the Association agree that except for emergencies or where special qualifications of sergeants are required, there shall be no change in the 4-2 work schedule in existence on December 31, 1989 without prior negotiations between the parties.
- H. No employee shall have their regular work week schedule or regular day off schedule altered for the purpose of avoiding payment of overtime.
- I. Sergeants assigned as Detectives and to special units as designated by the Chief of Police shall receive four (4) hours' compensatory time for each week they are placed in an "on-call" status, so long as the employee is not called in during that week. If the employee is called in, they shall be entitled to two (2) hours' compensatory time and receive the minimum of two (2) hours' call back time at the overtime rate pursuant to Article XIV, Paragraph E.
- J. On-call status is defined as a period of time during which the sergeant must physically remain near the Township of Hamilton, must be available for work, and is required to report to work if called. This section does not apply to the periods of time when the employee is on-call while on duty, as described in Article XV, nor does it apply to assignments in which response is optional.

ARTICLE XV – DINNER BREAK

- A. Employees will be permitted one (1) thirty (30) minute dinner break during each tour of duty.
- B. It is further agreed that employees may take one (1) ten (10) minute break during each four (4) hours of duty.
- C. The Association recognizes that all employees are on call for duty during their break time.

ARTICLE XVI – SALARIES

A. The following annual base salaries shall be paid to all bargaining unit employees:

Classification	(1.5%) 1/1/2014 - 12/31/2014 Base Salary	(2%) 1/1/2015 - 12/31/2015 Base Salary	(2%) 1/1/2016 - 12/30/2016 Base Salary	Build in Longevity (7%) 12/31/2016
Sergeant	\$92,161	\$94,004	\$95,884	\$102,596

B. All employees are required to sign up for and utilize the Township's direct deposit pay system for all wages of any kind upon the adoption of this Agreement.

ARTICLE XVII – LONGEVITY

A.

1. Each sergeant shall be paid, in addition to, and together with their annual base salary, additional compensation based upon the length of their service and determined according to the following schedule:

<u>YEARS OF SERVICE</u>	<u>LONGEVITY PAY</u>
Beginning Fifth Year	2% of Base Salary
Beginning Tenth Year	4% of Base Salary
Beginning Fifteenth Year	6% of Base Salary
Beginning Twentieth Year	7% of Base Salary

On December 31, 2016 Longevity shall be eliminated from this Collective Bargaining agreement and the salary listed in Article XVI shall become effective for all Sergeants.

ARTICLE XVIII – ACTING OFFICER

- A. Any employee, designated by the Chief of Police, who shall act for a senior officer, in the absence of such senior officer, and who shall have performed the duties thereof for a continuous period of thirty (30) days, shall thereafter be entitled to compensation appropriate to such office for the time so held.

ARTICLE XIX –VACATIONS

- A. All employees shall be entitled to the following paid vacation according to the following vacation schedule:

<u>Years of Service</u>	<u>Vacation Days</u>
Beginning the 2 nd Month through 1 st Year	1 day per month
Beginning the 2 nd through 3 rd Year	10 days per year
Beginning the 4 th through 9 th Year	15 days per year
Beginning the 10 th through 14 th Year	20 days per year
Beginning the 15 th through 19 th Year	22 days per year
Beginning the 20 th Year	25 days per year

- B. It is the intent of this Article to assure personnel covered by this Agreement that they shall receive the maximum amount of actual vacation days to which they are entitled. Days on which they are normally scheduled to work shall be the days they are given off. Days on which they are normally scheduled off that fall during the vacation period shall not be computed as part of the vacation. Members will not be recalled to duty while on vacation except in extreme emergencies declared by the Chief of Police.
- C. Accrued vacation leave shall be compensated for when the employee becomes separated, either voluntarily or involuntarily, from the Township's service unless the employee terminates service without giving ten (10) days' notice to the Chief of Police. For the purpose of this Section, vacation leave will be accrued on a pro-rated monthly basis.
- D. Vacations may be accumulated to a maximum of one (1) year's entitlement, and the total accumulated vacation leave that may be carried from one year to the next shall not exceed one (1) year's entitlement.
- E. In the month of January, it will be the responsibility of the Chief of Police to post a notice listing the unused vacation accumulated from the previous year, along with the vacation

days due from the current year.

- F. Employees may apply to the Chief of Police to receive a special advance pay when going on vacation of ten (10) days or more with twenty-one (21) days' prior notification.
- G. Employees will be able to take their vacations any time during the year. Vacations according to each shift, or division, shall be picked on a seniority basis when the request is submitted between January 1 and March 1. Vacation requests made after March 1 shall be granted based upon the order in which they are received, regardless of seniority, and shall not be subject to bumping unless agreed to by the employee being bumped. Employees must give thirty (30) days' notice prior to the start of their requested vacation to the Chief of Police. Final approval of all vacations and vacation schedules shall be at the sole discretion of the Chief of Police. The Chief of Police shall have the flexibility to grant vacations with less than thirty (30) days' notice so long as manpower permits and no overtime situation is created. Seventy-two (72) hours' notice shall be required for a vacation request of one (1) day.
- H. It is agreed that only one (1) employee on each shift will be permitted on vacation at the same time unless otherwise authorized at the Police Chief's sole discretion.
- I. Vacation days shall be accrued on a pro-rated basis. If an employee is absent for more than fifty (50%) percent of their scheduled work days in any given month due to disciplinary suspension or leave of absence with or without pay, said employee shall not accrue any vacation for that month. The term "leave of absence with or without pay" shall not include contractual time off (i.e., vacation leave, sick leave, etc.).

ARTICLE XX – PERSONAL DAYS

- A. All employees shall enjoy two (2) personal days per year for personal, business, household or family matters described in this Section.
- B. "Business" means an activity that requires the employee's presence during the work day and is of such a nature that it cannot be attended to at a time outside of the work day.
- C. "Personal, household or family" refers to matters when the employee's absence from duty is necessary for the welfare of the employee or their family.
- D. Application in duplicate for a personal day containing the reasons for the leave must be submitted at least three (3) days in advance. Personal days may be granted without three (3) days' advance notice by the Chief of Police or designee for an unforeseen occurrence which necessitates the presence of the employee and for which the employee had no prior knowledge and is unable to be resolved outside of the work day. Personal leave will not be granted if it interferes with the manpower needs of the Department.
- E. Employees shall receive reimbursement for a maximum of one unused personal day in the first pay in December.
- F. Employees shall be entitled to their birthday as an additional personal day. Employees shall receive reimbursement in the first pay in December if this personal day is unused. This reimbursement shall be in addition to the allowable reimbursement in Section E.

ARTICLE XXI – SICK LEAVE

- A. Sick leave is hereby defined to mean absence from post or duty by an employee by reason of personal illness, accident or exposure to contagious disease.
- B.
 - 1. An employee may utilize up to a maximum of five (5) sick days per year for attendance upon a member of the employee's immediate family, seriously ill and requiring care or attendance of such employee; or to care for a family member who is ill or other person for whom responsibility is required due to incapacity of a family member.
 - 2. The term "immediate family" is hereby defined to include the following: spouse, child, grandparent, parent, brother, sister, or spouse's parent, or any relative living in the employee's household.
- C. An employee who is absent for reasons that entitle them to sick leave shall notify their supervisor promptly, but not later than two (2) hours before the employee's usual reporting time.
- D. Sick leave shall accrue for regular full-time employees at the rate of one and one quarter (1 ¼) working days per month in every calendar year of employment, and shall accumulate from year to year.
- E.
 - 1. A certificate of a treating health care provider who is eligible under the Township's insurance carrier in attendance shall be required as proof of need of the employee's leave after two (2) consecutive days sick leave or after five (5) days unexcused sick leave in any one (1) year, unless such illness is of a chronic or recurring nature requiring absences of one (1) day or less, in which case only one (1) certificate shall be necessary for a period of six (6) months, provided, however, the certificate must specify that the chronic nature of the illness is likely to cause a subsequent absence from employment.
 - 2. It is understood that any absence that is verified by a treating health care provider's certificate who is eligible under the Township's insurance carrier is considered an

excused absence and is not counted as an unexcused absence for purpose of requiring additional written verification after five (5) days' sick leave in any one (1) year.

3.
